We are a leading printing company based in Birmingham and as part of our ongoing plans, we are actively looking to enhance our production facilities with the purchase of 8 Colour B2 Offset Printing Press.

It must be able to produce high quality commercial print up to a maximum speed 13,000 sph, with a 4 over 4 capability essential, in order to maximise efficiency and time.

Colour Management is also a prerequisite, being able to Link back to our Pre Press Department, with files downloaded automatically.

The latest technology is also essential with the press no older than 2006, one of our main criteria is to achieve environmental benefits from this investment.

Timeframe is immediate subject to securing the right press and financial terms.

Deadline:

We require all interested parties to submit their quotations by 5.00pm Tuesday 9th November 2016.
